

GLENDALE BEAUTIFUL

A NON-PROFIT PUBLIC BENEFIT CORPORATION

Glendale Beautiful was established as a non-profit organization in 1950 to promote, encourage and protect the beauty of our community and to assist the City of Glendale in preserving and presenting our early California history at the Casa Adobe de San Rafael, located at 1330 Dorothy Drive, Glendale.

Since its inception, Glendale Beautiful has observed Arbor Day annually by encouraging the donation of trees honoring loved ones, organizations, or causes in local parks and public areas. To date, over 7,650 trees have been added and our efforts have helped the City of Glendale earn the designation of a "Tree City, U.S.A." for over thirty consecutive years.

Glendale Beautiful was active in supporting the restoration of the Casa Adobe de San Rafael and members were instrumental in furnishing the Casa with period furniture and artifacts. We provide docents for tours and self-guided visits to the Casa the first Sunday of the month, September through June, and every Sunday in July and August. We host an open house with Luminarias, seasonal decorations, music and refreshments the 2nd weekend in December.

Over the years, Glendale Beautiful has responded to the times and to local needs. Starting as a group of women who met for lunch and organized very popular rose shows and pruning demonstrations, the group has more recently presented educational programs about low-water, drought-tolerant native landscaping and rain water retention. For many years Glendale Beautiful awarded certificates for outstanding landscaping to commercial, non-profit, public agency and residential properties. We look ahead to a bright future of helping to protect and improve the environment and appearance of our city.

YOU are the key to our continued success! We welcome new members who care about Glendale's Rancho Era history, sustainable living, and a beautiful Glendale.
